

Facility and Technology Fees

General Building Fee – Funds bonds issued prior to 2006 for capital improvement and building projects.

Capital Expenditure Reserve Fee – Reserve fund for unexpected capital repairs and maintenance.

SUB Construction Fee – Funds debt service for Student Union capital improvements, building projects, and smaller renovation projects. Example: \$30 million SUB expansion in 2009

Residence Hall Construction Fee – Capital improvements, building projects, and debt service for student housing expansion and renovation projects.

Facilities Fee – Debt service for construction of academic and student facilities. It is typically matched with donations, state funds and other sources.

Health & Wellness Center Facility Fee – Funds capital improvement, building projects, and debt service for construction of the Health Center in the Norco Building.

Information Technology Fee – Covers Office of Information Technology staffing, software and infrastructure for classrooms, computer labs, campus networks, wireless technology, the HelpDesk and IT support services.

Activity Fees

Intercollegiate Athletics – Funds maintenance, repair and upgrades to athletics facilities and helps to provide scholarships for student athletes. Also offsets cost of student tickets for all home sporting events.

Student Health Center – Funds counseling, primary health care, wellness initiatives, health education, and outreach services provided by University Health.

Student Union Operations – Funds the Student Union’s facilities and programs, including the Information Desk, Event Services, the Games Center, Technical Services, and the fine arts collection.

Student Life – Supports leadership development programs, student organization advising and services, engagement opportunities and campus programs.

Associated Student Body – Funds the Associated Students of Boise State University (student government), responsible for student advocacy and facilitating student engagement, primarily by funding student clubs and organizations.

University News – Funds Boise State Student Media, which includes the student newspaper (The Arbiter), radio (The Pulse), student marketing group, and video production.

Student Programs Board – Funds social/co-curricular activities, cultural events, performances, lectures, keynote addresses and collaborative programming by and for students.

Campus Recreation – Funds the operation and maintenance of Campus Recreation facilities and services, including the Student Rec Center and turf field, fitness and aquatics programs, intramural and club sports, and outdoor trips and rentals.

Theatre Arts – Helps support campus and student theatre productions, including scenery, costumes, light and sound, props, and royalties. Theatre Arts also offers a ticket to full time Boise State students to attend one Theatre Arts production each semester for no additional charge.

Alumni Relations – Funds programs administered by the Office of Alumni Relations that focus on students and recent graduates. Examples include: FAN Club (Future Alumni Network), Top 10 Scholars, Broncos Beyond Boise, Homecoming, the Legacy Scholarship Program, senior class activities, partnerships with Admissions, and services in conjunction with the Career Center.

Scholarships – Funds scholarships for Boise State students.

Children’s Center – Partially supports the nationally accredited childcare program on campus, which serves the children of the Boise State community.

Volunteer Services Board – Coordinates community partnership initiatives, supplies for service projects, issue awareness programs, and direct volunteer action.

Marching Band – Funds the Blue Thunder Marching Band, providing scholarships, instruments, uniforms, equipment and travel support.

Student Diversity & Inclusion – Offers training, diversity and awareness education and support, educational and community building programs, workshops and events.

Career Center – Partially funds Career Center staffing, career counseling, the Internship program, and job search assistance for students and recent Boise State alumni.

Spirit Squad – Covers scholarships, travel costs, athletic training and academic support services for the spirit squad and mainline dancers.

Gender Equity Center – Provides funding for educational outreach, support, trainings/workshops, events and services offered by the Boise State Gender Equity Center.
